Year 2016 Beach Season

Dear Camper,

The procedures for camper permit application **have not** changed from last year. The non-refundable processing fee will be \$100 and will be assessed for all camper permit applications. Please read through the attached package, which explains the procedures. **Please note that in the rules for camper parking in addition to: the one vehicle allowed for self contained campers, and the tow vehicle allowed for tow behinds; all additional vehicles (resident and non-resident alike) will be charged the non-resident daily rate for that, or those, additional vehicles.**

PLEASE NOTE THAT THE "RULES FOR CAMPER PARKING" ENCLOSURE (3) WILL BE ENFORCED. VIOLATORS WILL HAVE THEIR CAMPING PRIVILEGES REVOKED AND THEIR RESERVATIONS WILL NOT BE ACCEPTED FOR THE REMAINDER OF THE CAMPING SEASON.

Fill out the new application completely and return it to the Little Compton Beach Commission, P.O. Box 226, Little Compton, RI 02837-0226. Thank you for your patience. It is our intention to provide the best level of accommodation possible to all. **Application cutoff date is 15 June 2016.**

Sincerely,
Little Compton Beach Commission,

Ryan, William, Chairman
